SHOWCASE YOUR SCHOOL GARDEN

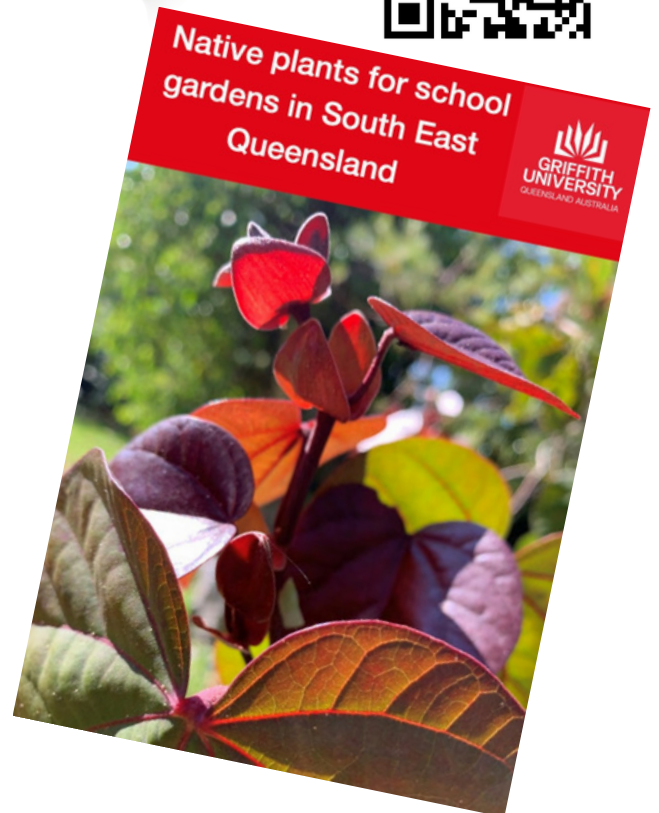

Calling all green thumbs!

This is your chance to showcase your Gardens!

Are you growing food, composting, bee keeping or growing natives? Share what's happening in your **School or Kindergarten** and **WIN some fantastic prizes!**

We'd love to see your garden!

Every participating school/kindy will receive **4 x Family Passes to Botanical Bazaar 2025** and a copy of Griffith University's **'Native Plants for School Gardens'**.
